

## **Our Kitchen Design Services include**

- A free, no-obligation design consultation to discuss your project goals, budget, and style preferences at our showroom or video conference.
- Your choice of cabinets and countertops from Tommy D's Home Improvement.
- Your choice of optional upgrades such as pull-down shelves, drawer organizers, family message center, or charging drawer.
- \*Professional in-home measurement, site analysis, and site verification\* prior to installation to make sure your design matches your kitchen and your kitchen matches the design so we can make note of any special requirements. \*\$149 upfront in-home measurement fee, credited to your final purchase with us.
- Full-color, 3D digital renderings, and 2D floorplan of your kitchen design.
- Affordable financing from Synchrony Bank to make your dreams a reality.

I agree to pay Tommy D's Home Improvement \$149.00 for Tommy D's to send a kitchen designer to my home to take measurements of my kitchen for new kitchen cabinets and/or countertops. When I purchase my kitchen cabinets and/or countertop through Tommy D's Home Improvement, I will receive a credit of \$149 toward the purchase of my kitchen cabinets or countertop. I understand that if I choose to go with another company for the purchase of the kitchen cabinets and/or countertops, I will not be refunded or credited the \$149 in-home measurement fee.
